New Delhi, Delhi - Email me on Indeed: indeed.com/r/Pulkit-Saxena/ad3f35bfe88a0410

I have a high degree of technical competence, a strong learning aptitude and an excellent
work ethic. I am a technical expert in a number of network areas, in particular connectivity,
performance, scalability and security. As an articulate communicator, I have ability to influence
people at every level by ensuring that issues are discussed, conflicts are resolved and the best
solutions are delivered. In my current role I work with the rest of the team to ensure the successful
delivery and operation of all supported services. Right now, I would like to join a growing company
that wants to recruit proven and experienced IT people.

Willing to relocate: Anywhere
